MY PORTFOLIO

[NMS - Portfolio - 2026](#)

PROFILE

I am a graduate in Applied Information Technology from Sri Lanka Technology Campus (SLTC) with a strong interest in Mobile Development, Business Analysis, Web Development, and Artificial Intelligence. Proficient in Python, Java, JavaScript, and modern development frameworks, with experience in analyzing business requirements, designing effective solutions, and improving system efficiency. Passionate about leveraging technology and data-driven insights to bridge the gap between business objectives and innovative technical solutions while driving continuous improvement and digital transformation.

PROFESSIONAL QUALIFICATIONS

- I have participated in the Online Learning Program in Python for Beginners and Web Design for Beginners at Centre for Open and Distance Learning, University of Moratuwa. (Verification Code: fFEtCzoBKa and KFF4PrpOfR URL: <https://open.uom.lk/verify>).
- I have followed the SIBA Course (IT and English) at NYC Wariyapola. (2023).
